“NEW” STUDENTS ARE WELCOME - TELL YOUR FRIENDS!

Where two or more students from the same family attend camp a discount will be given. Please ask.

FUN, FITNESS FRIENDSHIP

Welcome to “MARIE MOORE IRISH DANCE CAMP 2021”. Summer camp is amazing experience for New and existing students. It’s a great opportunity to learn new steps and improve technique.

This last year has been a challenge for all of us luckily, we have managed to keep the school very active. July 2020, we did have dance camp, very successfully to the delight of STUDENTS and Parents. As we plan summer camp for 2021 while still in the Covid19, climate we plan on having camp at the Italian American Hall, Scotch Plains to allow for the space and comfort that is needed for all our students and teachers.

Camp times will be 10am to 4pm for all campers each day.

“Theme Days “will be incorporated into camp. Light snacks and drinks are included. T-Shirt decorating is always a great finish to the week.

The objective of Summer Camp is to offer ALL our students the opportunity to progress and improve their skills in Irish Dancing and thus offer the very best of training to help them achieve their goals.

Current Students at Championship level MUST attend Dance Camp to prepare for the year ahead and Oireachtas 2021.

We will be re-introducing teams at camp which socially distancing - teaching our younger and beginner students the foot work needed for teams and teaching hand movements (without taking hands). All our students look forward to dance camp each year. Let’s get signed up.
